

STEPS OVERVIEW:

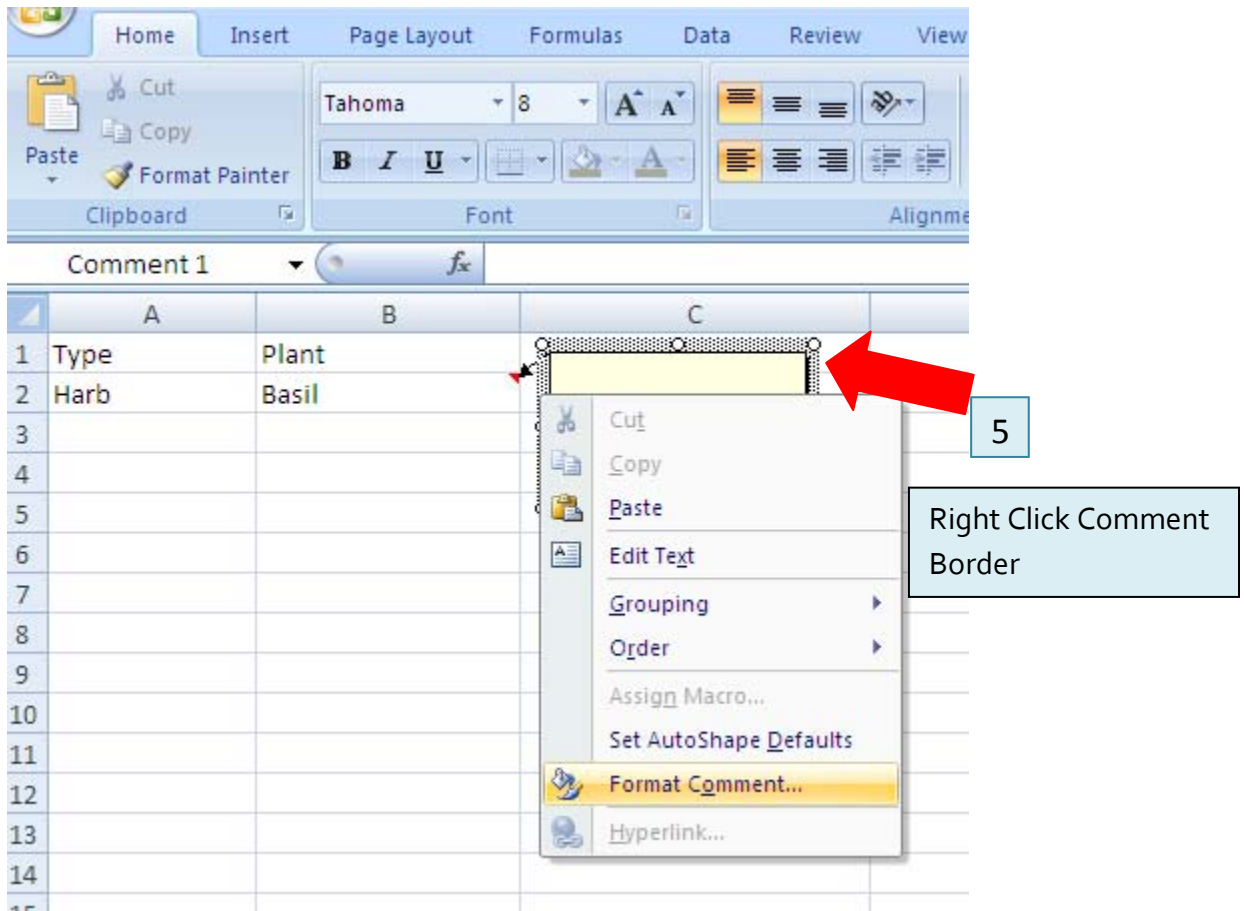

1. Right-click the cell where you want the popup picture.
2. Click on "**Insert Comment**".
3. Select any text that was automatically added to the comment, such as your name.
4. Press the Delete key on your keyboard, to delete the text.
5. Right-click the "**comment border**".
6. Click "**Format Comment**".
7. On the **Colors and Lines tab**, click the drop-down arrow for Color.
8. Click "**Fill Effects**".
9. Click the "**Picture tab**".
10. Click on your picture, then click "**Insert**".
11. To keep the picture in proportion, add a check mark to "**Lock Picture Aspect Ratio**".
12. Click "**OK, twice**", to close the dialog boxes.
